Las Nina Ella Chardonnay Reserva

Varietal: 100% Chardonnay

Practice: ORGANIC

Appellation: Casablanca Valley, Chile

Alcohol %: 12.5

Residual Sugar: 4 gr / liter

Elevation: mts

Dry Extract:

Production: cs

Acidity: gr / liter

ph:

The Las Niñas vineyard is firmly rooted in Apalta, in the heart of Colchagua. It has been certified organic since 2017. To combat weeds naturally before the vines start to grow, they use sheep. The partial weed control done by the animals helps to retain humidity in the soil, recycle nutritive elements and prevent erosion. In turn, sheep droppings provide natural fertiliser for the plants.

Tasting Notes: Chardonnay grapes are grown organically in the famous Casablanca region. This unoaked wine boasts aromas and flavors of citrus fruit and peach and is medium to full-bodied with a refreshing, well-rounded mouthfeel.

Aging: Stainless steel tank fermented (unoaked)

Food Pairing: Grilled seafood, chicken and salads.
