Tasting Notes: Crafted using the traditional méthode champenoise, our third vintage of Sonoma Coast Blanc de Noir delivers energy, precision, and finesse. A deep salmon hue—reflecting extended skin contact—reveals aromas of fresh strawberry, citrus zest, apple blossom, and pear. Fine, persistent bubbles frame vibrant acidity and a focused palate, finishing clean and lifted with a subtle creamy texture.

A refreshing and effervescent mouthfeel with bright acidity and zesty citrus notes and slight floral hints of apple and pear.

Food Pairing:. Perfect for celebrations, warm evenings and many types of food.
