Varietal: 90% Chardonnay, 7% Pinot Blanc, 3% Sauvignon Blanc.

Practice: Organic In Practice, Sustainable In Practice.

Appellation: Süd Tirol - Alto Adige DOC

Production:

Alcohol %: 14

Acidity: 6.2 g/l

Story: Nals Margreid – a name associated for centuries to wine production and wine culture. A tradition that goes back to 1764, when the Campi estate was built. Nals Winery was founded in 1932 and with the merge of Margreid Winery in 1985, Nals Margreid was established. Our winegrowers' vineyards extend over 14 growing regions from Nals, a little town between Bozen and Meran (Merano), all the way to Margreid in the sunny, southern reaches of our region. Elevation ranging between 800 ft to 2500ft.

Winemaking: Selective hand harvesting, fermentation and aging in small oak barrels for 18 months, 9 months in stainless steel tanks, 1 year in bottle.

Tasting Notes: Chardonnay is one of the grape varieties that performs exceptionally well in South Tyrol. In the warmer sites along the South Tyrolean Wine Road, it develops an outstanding balance between ripeness, freshness and mineral tension. The interaction between Alpine climate and limestone-rich soils creates a wine with elegance, structure and distinctive character. In the glass, Nama 2022 shines in an intense straw yellow with golden reflections. The bouquet reveals layers of ripe yellow fruit, delicate citrus nuances, subtle spice and mineral depth. On the palate, it is powerful yet refined, offering a creamy texture, vibrant freshness and a long, elegant finish

Food Pairing: Herb risotto, goat cheese, scallops, fish.
